GLEN CAMPBELL  
GENTLE  
ON MY MIND

STYLED  
2014

This bonnet style hat can be made in any weight yarn, custom sized to any head, though the specifics of its shape may differ with yarn weight - a bulkier yarn will make for more of a hood style. The modular shape is worked seamlessly, bordered with garter stitch edges, i-cords or braids finishing it off at the tips. The hat is started sideways across the top front, leaving stitches along the back edge, which are worked over and downwards with decreases and short rows making the curved head shape, a strip of sideways garter stitch finishing it off across the base.
